

# Websites Where You Can Submit Online Profiles

## **Christian Websites**

---

The advantage to submitting your profile to Christian sites is that you can do so with a fair amount of comfort. These sites may not be visited by unbelievers a great deal, but your profile should still find its way into search engine listings.

## **Non-Christian Websites**

---

These are sites frequented by unbelievers which is who we obviously want to reach. If we proceed with caution and realize that these are areas of the web which do not necessarily reflect Christian principles, they can be effectively used to declare the gospel.
